

Dear Families,

Welcome back! I hope you all had a lovely Easter break! This letter outlines the areas of study to be covered by class 1L during the **Summer term**.

Summer

**Maths:**

In our maths lessons this term, we will be looking at 3D shapes, capacity, time, and pictograms in greater detail. In addition to this, we will continue to revise key number facts such as number bonds, doubles, and halves. This term we will also be starting to look at multiplication and division (sharing). *Please help your children to practice at home - they love to show off what they know!*

**Read, Write Inc:**

We follow the Read, Write Inc scheme every day. Children will be sorted into smaller ability groups and take part in fast paced and focused sessions that aim to develop their reading skills. The national phonics screening will be taking place in June. *Please continue to support your child by listening to them read daily and by discussing their reading material with them regularly.*

**Topic:**

Our Topic for this half term is *Plants*. In this topic, we are going to be growing our own plants and looking carefully at how they grow. We will be labelling the features of trees and flowers and looking at a range of plants including deciduous and evergreen trees.

**Our other subjects this term:**

- ICT: Our computing topic is 'We are Storytellers' where we will learn how to use recording equipment to create our own audio book!
- RE will be taught through whole days focused on specific world religions. We will be looking at Christianity this half term and Judaism next half term.
- Music: Our units will be 'Storytime' and 'Our Bodies' where we will be looking at exploring sounds and beats.
- P.E. - Athletics and Gymnastics

**PE:** PE will be taught on Wednesdays and Thursdays but this may change from week to week due to inclement weather. Your child should have a school PE kit in school every day for indoor and outdoor PE sessions just in case.

If you have any queries or questions, please do not hesitate to speak to me after school.

Kindest regards,

Mrs J Larkins

*Class teacher 1L*
