

Autumn term Reception Newsletter 2026

Look at all these amazing story books we will be reading this term.

Our morning **literacy** learning will be linked to one of these each week and we will be doing lots of writing, fine motor, gross motor and creative activities linked to them.

The children will be taking part in **Talk for Writing** which helps them develop confidence in speaking, listening, and early writing skills. Through actions, storytelling and roleplay, children will learn to retell the stories. We will practice writing initial sounds and simple words as we label our story maps and drawings.

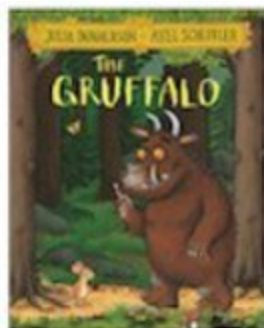

Phonological awareness and Read Write Inc (RWInc) sessions will also occur in the morning. The children will be bringing home books for you to share together every Friday. Please read with your child, and ask them about the sounds they have been learning as you share books together.

PE Days.

RB Thursday RE Friday

Look out for our **winter share session** date in the December newsletter. Where you can come into school and making lots of festive crafts with your child. You can come and take a look at all our Autumn term learning. EYFS team

This term we will be focussing on our **Maths** learning in the afternoons, through daily practical and structured lessons.

We will focus on recognising, counting, ordering numbers, as well as exploring one more and one less. We will be subitising (recognising amounts without counting) as well as working on addition and subtraction through stories, songs, and using hands on resources.

Wednesday 14th October 2026- Parents Consultation Day.

This is another important day, and a great opportunity for you to come into school and look at your child's learning and discuss how they have settled into school life so far this year. We will discuss ways you can support learning at home, and set out clear expectations for the rest of the year. We will send more information nearer the time along with an email inviting you to sign up for an appointment. Kind Regards Mrs Barnett and Mrs Elsdon and the EYFS team.
